## Editor's Note

Halfway through 2026 – and what a ride it's been! June is the perfect time to take stock, catch your breath, and maybe plan a little escape before the year races away from you completely.

This month we packed our bags, hit the R62, and discovered why Montagu deserves a permanent spot on every Boland resident's bucket list. Sometimes the best finds are just down the road.

## PLACES WORTH STAYING

### 🏠 A Memorable Stay at 360 on 62 Farm Cottages

Our quick escape to Montagu was made even more memorable by the thoughtful touches at 360 on 62 Farm Cottages.

On arrival, we were welcomed with a traditional steamed bread ready for the oven, fresh farm butter and a complimentary bottle of sherry. As the bread baked, the cottage filled with the comforting aroma of fresh bread, instantly making us feel at home.

It's often the small details and genuine hospitality that turn a simple overnight stay into a lasting memory.
